NOI Temple Number 27 in Los Angeles, California, is considered "Malcolm's Temple and Elijah Muhammad does not think much of it." ELIJAH MUHAMMAD originally wanted the Temple to be in San Diego, California, but when the Temple was organized some time ago, MALCOLM organized it in Los Angeles and all of its ministers and various officials have been chosen by MALCOLM and not by ELIJAH MUHAMMAD. but was unable to attend due to illness, and subject was one of the speakers who substituted for him.

67D

The June 26, 1961 edition of "The Evening Star," a daily newspaper published in Washington, D.C., contained an article relative to the mass NOI meeting held at the Uline Arena in Washington, D.C. on June 25, 1961. This article reflected that ELIJAH MUHAMMAD, head of the NOI and scheduled speaker, was unable to attend due to illness. His place as the main speaker was taken by subject, who was described as "Elijah's right hand man." It was

further noted in the article that subject devoted approximately 20 minutes of his speech to raising money for "separatism."

67D

C. Speeches and Comments

All of the meetings referred to below are included in those meetings mentioned above [redacted]

67D

At the NOI meeting held at Temple Number 7, New York City, [redacted] MALCOLM X was the speaker and after playing a tape recording of a debate between himself and a representative of the NAACP, MALCOLM stated that you can now see why it will be necessary for God to destroy the devil (white man) and his sympathizers. He said that a Negro leader (referring to the NAACP representative), though

he knows that the work of the Honorable ELIJAH MUHAMMAD is divine, will always stand up to defend the white man. He added that there will come a time when these Negroes will have to stop defending the white man. He further added that the white man should pray that nothing happens to the Honorable ELIJAH MUHAMMAD because then there will be no one to control his followers.

[redacted] b7D

At the NOI meeting held at 541 Henry Street, Oakland, California, [redacted] MALCOLM asked the audience why should we, the Muslims or any so-called Negro fight for the white man in Germany or Korea? When you come home, he continued, they hang you in your own country such as Mississippi and rape your sisters. And then you talk about fighting for the white man.

[redacted] b7D

At the NOI sponsored Street Rally held at Seventh Avenue and 125th Street, New York, New York, [redacted] MALCOLM stated that there is a law against kidnapping, lynching and raping. He stated that the Federal Bureau of Investigation (FBI) was sent to the South to find the lynchers of MACK PARKER and EMMET TILL. MALCOLM stated that the FBI found the lynchers but they went free and were not punished for their crimes. He then stated that Uncle SAM is going to be put on trial for kidnapping, lynching, raping, etc. He further stated Uncle SAM would be judged and sentenced by God and that Uncle SAM now b7D

has a chance to repent to God through the Honorable ELIJAH MUHAMMAD and if he (Uncle SAM) sincerely seeks repentence, it will be the only way that he can escape destruction.

[redacted] 67D

At the NOI meeting held at Temple Number 7, New York City, [redacted] MALCOLM was the speaker and asked what is the American way of life? He then stated that no people on earth know the American way of life like the so-called Negro does. He stated that we have helped them fight for freedom but do we have freedom. He continued that the Negroes in America have helped their slavemasters more than any other people but are still second class citizens.

MALCOLM then described America as a white wolf who sees a black lion coming towards him from the East and asks us, the black men who are like the sheep who have felt the teeth of the wolf, to fight for him. MALCOLM then stated that he has never told anyone that they should or should not fight, however, he added that it seemed to him that the sheep would want to see the wolf destroyed.

MALCOLM continued that the Honorable ELIJAH MUHAMMAD has taught us that we cannot fight the devil with his own weapons and that ELIJAH MUHAMMAD has given the light of truth as a weapon and that this weapon is all that is needed to bring the devil to his knees.

[redacted] 67D

At the NOI meeting held at Temple Number 7, New York City, [redacted] MALCOLM was the speaker and said that Christianity and America are evil and that the followers of the Honorable ELIJAH MUHAMMAD have turned from evil to good. MALCOLM then pointed to the flag of the United States and stated that you do not have freedom, justice or equality under this and you cannot go where you please. He added that you are still begging to go to the white man's school and to ride on his buses. 67D

MALCOLM further stated that the Honorable ELIJAH MUHAMMAD is asking for some states for our very own and if the white man does not give us some states, then ALLAH will take them all away from him.

[redacted] 67D

At an NOI meeting held at Temple Number 2, 5335 South Greenwood Avenue, Chicago, Illinois, on [redacted] MALCOLM was the main speaker and stated that in regard to serving in the armed forces of the United States that although he was not telling those in attendance what they should or should not do, he personally would not go abroad to fight. He stated that in a time of emergency the white man says to the black man, "sickum" and calls the black man a champ while he is fighting for America, but when it is all over the black man is a chump instead of a champ.

[redacted] 67D

Also at the above-mentioned NOI meeting held in Chicago's Temple Number 2 [redacted]

MALCOLM said that the white man is the true devil and today is preparing for the war that will bring about his own extinction. He stated that "I would get in trouble to tell you not to go to war, but I can say just use your head." He then asked why should we fight for a country which will not even pass a civil rights law in our behalf? He then added I can tell you that "Muslims fight for themselves and no one else."

[redacted] b7D

D. Other Matters Related to NOI Activities

The April 27, 1961 edition of the Los Angeles "Herald Dispatch", a weekly newspaper published in Los Angeles, California, contained an article which reflected that Afro-American business and labor leaders met with subject in the Clark Hotel, Los Angeles, on April 16, 1961, to discuss problems affecting the Afro-American community. This meeting was originally called by ELIJAH MUHAMMAD who was unable to attend due to illness and who was represented by subject.

This same article also reflected that on the evening of April 16, 1961, subject spoke at the Embassy Auditorium in Los Angeles, where he outlined ELIJAH MUHAMMAD's plan for a separate national territory for the black man of America.

The May 4, 1961 edition of the "Sacramento Union," a daily newspaper published in Sacramento, California, contained an article which reflected that subject spoke to a gathering of NOI members on [redacted] at Sacramento, California. b7D

The May 8, 1961 edition of the "San Francisco Examiner", a daily newspaper published in San Francisco, California, contained an article that reflected that on May 7, 1961, subject spoke in the Fillmore Auditorium in San Francisco and advocated "black chauvinism" as the cure for "their" troubles.

The June 14, 1961 edition of the "Hartford Courant", a daily newspaper published in Hartford Connecticut, contained an article that reflected that subject was scheduled to be in Hartford on June 15, 1961, for a press and television interview. The article went on to say that this appearance was to be a part of a nation-wide tour to clear up misunderstanding about the aims of the NOI.

The June 17, 1961 edition of the "Hartford Times", a daily newspaper published in Hartford, Connecticut, contained an article which reflected an interview with subject at Hartford, Connecticut, in which the latter outlined the beliefs of the NOI. The article indicated that subject was in Hartford for that week.

## III. MISCELLANEOUS

### A. Public Appearances

The May 5, 1961 edition of the "San Francisco Chronicle," a daily newspaper published in San Francisco, California, contained an article that reflected that authorities at the University of California had forbidden a scheduled campus speech by subject on May 8, 1961, since the Vice Chancellor

of the University of California felt that it conflicted with the standing regulations of the university concerning student activities.

The May 9, 1961 edition of this same newspaper contained an article which reflected that subject addressed a group of about 200 at the University of California, Young Men's Christian Association (YMCA) on May 8, 1961. The article noted that the YMCA was located off the campus.

On May 11, 1961, between 9:30 p.m. and 10:15 p.m., television station KQED, channel 9 in San Francisco, California, carried a debate between subject and one TERRY FRANCOIS, the latter being a prominent Negro attorney and president of the NAACP in San Francisco.

The May 31, 1961 edition of "The Grand Rapids Press", a daily newspaper published at Grand Rapids, Michigan, contained an article written by a staff writer reflecting an interview with subject in which the latter outlined NOI beliefs. The article further reflected that subject had made speeches at Michigan State University and was scheduled to speak at Flint, Saginaw and Muskegon, Michigan.

The October 7, 1961, edition of the "New York Amsterdam News", a weekly newspaper published in New York, New York, contained an article which reflected that subject was scheduled to speak at the Community Church, 40 East 35th Street, New York, New York, on October 8, 1961. The subject of his address was to be "The Truth About the Black Muslims."

The October 14, 1961 edition of the "New Jersey Herald News," a weekly newspaper published at Newark, New Jersey, contained an article which reflected that subject did, in fact, speak at the Community Church on October 8, 1961.

The October 21, 1961 edition of the "New York Amsterdam News", contained an article which reflected that subject was scheduled to speak on November 14, 1961, at Queens College, Queens, New York, at the invitation of the Queens College branch of the NAACP, but that this appearance was cancelled by the college administration. The article quoted MALCOLM as stating that "If what I stand for is considered un-American, then America is lost."

The October 12, 1961 edition of the "New York Post," a daily newspaper published in New York, New York, contained a similar article as above relative to the cancellation of subject's appearance at Queens College and further stated that subject's appearance was cancelled by the Dean of Student Activities who stated that MALCOLM's doctrines are "potently abhorrent to anyone who subscribes to the basic tenets of American democracy."

B. Contact With the Emergency Committee for Unity on Social and Economic Problems (EUSEP)

On August 13, 1961, the Negro caucus of the New York State Communist Party (CP), New York, New York, held a meeting at which a discussion was conducted about the opportunity afforded the CP to affiliate itself with the Negro American Labor Council (NALC). Reference was also made at this meeting

concerning a proposed mass Street Rally which the NALC would support in September, 1961, and to which MALCOLM's Muslims were invited.

[redacted] that subject was one of a group of speakers at a mass Street Rally sponsored by the EUSEP [redacted] at Seventh Avenue and 125th Street, New York, New York. The purpose of this meeting was to demand jobs for New York's 80 thousand unemployed Negroes. [redacted] that the FOI of NOI Temple Number 7, New York City, attended this rally in a group.

67D

[redacted]

67D

[redacted] a meeting of the EUSEP was held in the headquarters of the NALC, 217 West 125th Street, New York, New York, at which it was announced that the rally which was held on September 6, 1961, had a deficit of $350.00. Subject, who was in attendance, donated $100.00 from NOI Temple Number 7, New York City, to offset this deficit.

[redacted] 67D

C. Contact with Workers World Party (WWP) Representatives

WILFRED LOCAL PAPER

At an NOI meeting held on [redacted] at Temple Number 7, 102 West 116th Street, New York, New York, [redacted] was in attendance and was introduced to the audience. Subject was out of town and was not present at this meeting.

[redacted] a meeting of the members of the WMP at Los Angeles, California, was held and it was announced that subject planned to visit Los Angeles in the future in order to get the local Muslims to drop some of their religious line in favor of a political line, and to arrange a meeting between himself and representatives of the WMP in Los Angeles to establish a working relationship between the WMP and the Muslims in Los Angeles. 67D

[redacted] 67D

It is to be noted as reflected above (Section II, paragraph B, Part 3) that subject was in Los Angeles, California during the latter part of September, 1961, and the early part of October, 1961, attempting to "straighten out" NOI Temple Number 27 in Los Angeles, [redacted] 7D
It should also be noted as reflected above, [redacted] Temple Number 27 is MALCOLM's Temple with its officials chosen by MALCOLM and not by ELIJAH MUHAMMAD.

NY 105-0999

FRUIT OF ISLAM

On May 5, 1961, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

NATION OF ISLAM

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1961, a second source advised: ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI). Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI. In mid 1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by ALLAH, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

NATION OF ISLAM (CONT'D)

On May 17, 1961, a third source advised: MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

TEMPLE NUMBER SEVEN

On May 12, 1961, a source advised that the NOI Temple Number 7, also known as Mosque No. 7, 102 West 116th Street, New York City, is the New York City Temple of the Nation of Islam headed by ELIJAH MUHAMMAD, with headquarters in Chicago, Illinois. Temple Number 7 follows the policies and programs as set forth by ELIJAH MUHAMMAD.

This source advised that the date Temple Number 7 originated in New York City is unknown.

However, in connection with the origin of Temple Number 7, it should be noted that in 1953, a second source advised that there was a temple of the NOI (known to source then as the Muslim Cult of Islam) in New York City located at 135th Street and Seventh Avenue, New York City, as far back as 1947.

WORKERS WORLD PARTY

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member SAM BALLAN, known in the SWP as SAM MARCY, split from the SWP.

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of Leon Trotsky and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery-individuals characterized by the minority as petty-bourgeois.

The minority program, according to the source, advocates the unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On May 12, 1960, the source advised that this minority group had chosen the name Workers World Party (WWP).

On May 4, 1961, the source stated that Headquarters of the WWP were located at 46 West 21st Street, New York, New York.

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

RE: NATION OF ISLAM

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED DATE 12-14-83 BY SP2 pg/wlb

A characterization of the Nation of Islam is attached hereto.

The February 9, 1962 edition of "The Wesleyan Argus", a semi-weekly newspaper published by the students of Wesleyan University, Middletown, Connecticut, reflects the following article under the caption "Black Muslim Malcolm X Calls for Racial Separation in United States."

"Malcolm X, a 'so-called Negro' and high-ranking member of the 'black' Muslims, called for 'separation' of the races instead of segregation in a Chapel address Wednesday evening.

"X, the emissary to Africa and Asia for the Muslims of the United States said that whites tend to think that all Negroes want integration. 'The masses of Negroes do not want to integrate', he said. At the same time X said they do not want to be segregated. 'We are just as much against segregation as the most staunch integrationist.'

"The Muslims are proposing separation instead of segregation. According to X, segregation is separation of one group by another, while separation is a division between equals.

"'The reason we have rejected integration in all forms is that wherever there is Negro-white integration, the Negroes always get run by the whites,' said X. The NAACP, X pointed out, 'an integrated organization', has elected a new president every year for the last fifty-three years and has so far failed to elect a Negro to that office.

"For the Muslims, the solution is for the Negro to sit up for himself, to stop trying to get the whites to give him things, and build what he wants for himself.

ENCLOSURE

ENCLOSURE

"X went on to comment on the colored integrationist movement. Not only have they taken over the white man's ways and represent only a small minority of the Negro population, he said, but, 'they don't want to be free anymore; they want integration....they have confused their method with their objective....our objective is human dignity'. They want civil rights before they have even been recognized as having human rights, before they have been recognized as being human beings, X said.

"X pointed out that the first American Constitution classified the Negro as three-fifths of a person and he was regarded much like all other livestock and property of his owner. Many whites have never gotten over looking at the Negro as inferior, as three-fifths of a man.

"If the Government will not send them back to their home in Africa, then it should give them a home here in the form of a separate state. The Negroes are becoming aware. Just as God struck at the Egyptians when Moses wanted to lead his people out of Egypt and the Pharoah refused, so will God strike at the United States if the Negro does not get the home that he deserves."

Nation of Islam

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1961, a second source advised: Elijah Muhammad is the national leader of the Nation of Islam (NOI). Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI. In mid 1960 Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

MUSLIM GIRLS TRAINING

On May 19, 1960, a source advised that the Muslim Girls Training (MGT) is a group within the Nation of Islam (NOI) and is composed of all female members of the NOI. The MGT is similar in structure to the Fruit of Islam (FOI), which is composed of male members of the NOI, in that the MGT has officers similar to military organizations to whom other female members are accountable. MGT members receive instructions in homemaking, hygiene, calisthenics, and other subjects such as Muslim history and the English language. NATION OF ISLAM

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam." (U)

On May 5, 1961, a second source advised: ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI). Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI. In mid 1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam." (U)

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by ALLAH, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon." (U)

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States. (U)

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization. (U)

This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs. (4)

WORKERS WORLD PARTY

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member SAM BALLAN, known in the SWP as SAM MARCY, split from the SWP. (U)

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of Leon Trotsky and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery-individuals characterized by the minority as petty-bourgeois. (U)

The minority program, according to the source, advocates the unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world. (U)

On May 12, 1960, the source advised that this minority group had chosen the name Workers World Party (WWP). (U)

On May 4, 1961, the source stated that Headquarters of the WWP were located at 46 West 21st Street, New York, New York. (U)

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450. (U)
